**TO WHOM IT MAY CONCERN**

This serves to confirm that the Louis Group Hotels Spas and Vineyards use Peace River Trading as our preferred supplier of fabrics and the preparation of curtains and upholstery of scatter cushions and furnishings for our rooms, restaurants and public spaces. They have also assisted us with various refurbishments at the Devon Valley hotel in Stellenbosch, Erinvale Estate Hotel & Spa in Somerset West, and our Camps Bay Collection of Hotels.

Nothing is ever too much trouble for the team. Professional advise is given thorough the process from selecting the correct fabrics for the chosen environment and assisting with storyboards to hanging of curtains and after-care. Highly skilled team, very reasonable and competitively priced coupled with efficient service delivery.

We can highly recommend Peace River Trading to any company or private household for exceptional quality, friendly, professional and efficient service delivery always. A portfolio of images of their work at Erinvale and Devon Valley are available that will speak for itself.

Yours Sincerely

Craig Seaman  
Managing Director
