**PEACE RIVER TRADING CO**

Pepper Club Hotel and Spa, a new five star standard hotel comprising of 210 suites, conference, banqueting and restaurant facilities was developed by ourselves. The hotel commenced trading operations during March 2010.

Peace River Trading Co were awarded the contract to manufacture curtains, drapes and blinds, from selected fabrics and to fit all the curtain and blind fittings and curtains and blinds throughout the hotel.

They performed their services timeously and efficiently, despite the enormity of the project, which assisted us to commence trading operations on time.

We have no hesitation in recommending the services of Peace River Trading Co based on their performance and the manner in which they have conducted business with ourselves. We further note that since completion of the work referred to above we have continued to contract with Peace River Trading Co.

Should you wish to obtain any further information we would be pleased if you would contact the writer.

Yours faithfully
